3. The assessor will record your performance at critical points during the assessment.

PROJECT BRIEF

In this project, the candidate will be required to demonstrate competence in solving tasks using office suite and applying word processing skills as per task requirements. SECTION 1

Elements Covered

1. Solve tasks using Office suite
2. Apply word processing skills

TASK 1: Solve tasks using Office suite (20 Marks)

- (a) Create a folder on the desktop and name it Practical one (2 marks)
- (b) Open a word processing application and key in the following information as it appears.
Save it as Trees in the folder created above. (8 marks)

A.

WHY TREES

- ❖ Trees mean a happy environment, healthy people and a strong economy.
- ❖ They're nature's high impact home remedy.

Benefits of Trees

1. COOL CLIMATE

Trees absorb CO₂, which is one of the main drivers of climate change

2. BIODIVERSITY

Forests are the most diverse systems on land with millions of species.

3. SOIL PROTECTION

Trees protect the soil erosion and they create productive and fertile land.

4. CLEAN AIR

Trees create oxygen, which we need to breathe.

5. HAPPY PEOPLE

Forests provide us with good environment for people to relax and be happy.

6. WATER SECURITY

Forests regulate the water cycles and prevent flood

- (c) In the document title, apply bold and center align (2 marks)

- (d) In the first paragraph add bullets (2 marks)
- (e) Single underline the subtopic of the second paragraph and bold it (2 marks)
- (f) Bold all the titles of the second paragraph which are numbered (2 marks)
- (g) Apply a two column in the second paragraph with a line between (2 marks)

TASK 2: Apply word processing skills (20 Marks)

B. Open a new blank word processing document and create the following letter as it appears. Save the document as Tree invite in the Practical one folder. (5 marks)

To: <<Title>> <<First Name>>

<<Company>>

<<Telephone>>

<<City>>

Dear, <<First Name >>

REF: TREE PLANTING INITIATIVE

As an organization committed to being green, Ecosy Company is planting trees to make the world greener place for all of us to live. You are therefore invited to the project Plant a Tree initiative aimed at re-greening our natural landscape through tree planting efforts on rural lands and in urban areas.

Your support is highly appreciated.

Emily

Project Manager.

C. Open a new word processing document and create the following table as it appears. Save the document as Treedata source in the Practical one folder. (5 marks)
